

Day One Diary - Annual Appeal

Why is our prison ministry so important?

Diary usage

- The diaries are given out in the first 24 hours of an inmate's arrival-even in centres, people come with almost nothing so are grateful to receive the diary.
- Given out in "goody bags" at Christmas
- Prisoners use them to store phone numbers and appointments in; also they are used to look up the 'verse for the day' on the day of their birthday or the day of their release.
- Prisoners use them for everyday information and keep them in their pockets because they feel that their personal information is then safe.
- When prisoners reoffend the first thing they will ask for when they return to prison is a DayOne diary.
- Even the prison staff use them to keep work rotas in!

What a lot of diaries!!

The Diaries and calendars are now in the warehouse – this is part of the delivery that came in a few weeks ago.

195,000 diaries were

delivered and nearly all of them will be going into the hands of prisoners this Christmas time and early in the New Year.

Please pray for this side of the work – the diary has a verse from God's Word for each day. That means during the year over 190,000 men, women and youth offenders will be able to read a verse from the Bible.

That could mean that over 69 ½ million times each year a passage from the Bible will be read by people in prisons up and down the UK.

Please do continue to support this work and pray with us that, again this coming year, people will be changed by the power of God's Word.

The Data Protection Act will now be known as the **General Data Protection Regulation** and as a result DayOne must inform you how we store your personal information that you have supplied to us. We really need your help to keep up with the demand.

What it costs to send our diaries

Each diary has a total cost including postage of 35p

In order to cover all the demand for diaries we need to print 200,000 diaries this year. That would be a total cost of around £70,000.
