The diary costs increase each year, paper, printing, and postage have all increased once again. We always review and pray about the diary work, and we still feel that we should go ahead and print the diary – it is valued by prisoners so much, and it gets the Word of God into the hands of people that otherwise would not have it.

Please have a look at the videos and letters on the web site and consider helping us to get a daily Bible verse into the hands of a prisoner

Day One Diary - Annual Appeal

Why is our prison ministry so important?

Diary usage

The diaries are given out to inmate's on their arrival. People come with almost nothing so are grateful to receive the diary.

- Given out in "goody bags" at Christmas.
- Prisoners use them to store phone numbers and appointments in; also they are used to look up the 'verse for the day' on the day of their birthday or the day of their release.
- Prisoners use them for everyday information and keep them in their pockets because they feel that their personal information is then safe.
- When prisoners reoffend the first thing they will ask for when they return to prison is a DayOne diary.
- Even the prison staff use them to keep work rotas in!

What a lot of diaries!!

The Diaries and calendars come into the warehouse in September– this is part of the delivery that came in last year.

Nearly 195,000 diaries were delivered and nearly all of them will be going into the hands of prisoners this Christmas time and early in the New Year.

Please pray for this work – the diary has a verse from God's Word for each day. That means during the year over 195,000 men, women and youth offenders will be able to read a verse from the Bible.

That could mean that over 70 million times each year a passage from the Bible will be read by people in prisons up and down the UK. For more details please see our prison web site www.prisons.dayone.co.uk.

Please do continue to support this work and pray with us that, again this coming year, people will be changed by the power of God's Word.

THANK YOU DAYONE

"We get the DayOne Diaries each year and just wanted to say that they are so appreciated. We've just had the 2023 ones in and they're going like hot cakes!

Prisoners love the diaries; they're so popular!

Every time we do a reception, we take the diaries along to give to the men.

I visited with one guy the other day and he was telling me that he was using your diary for his own personal devotions and expressing how the he and the others found the diary a huge blessing.

Thank you for making this possible.

James

I have GREATLY valued the DayOneDiary the last 2 years I have been in prison - the lovely photos + superb choice of Scriptures have been a massive support + inspiration. THANK You for your generosity.

"The Prison Chaplaincies of England and Wales are very grateful for the yearly gift of diaries which are distributed to prisoners across England and Wales. Not only are they used as a place to write the details of loved ones' addresses and phone numbers, key dates such as court cases and parole hearings, but with every note that is made, a verse from Holy Scripture reminds them that God loves them and offers hope into a dark situation. For Chaplains the diaries are invaluable – they provide something to take when doing rounds, an opening or conversation starter a non-threatening way to sift people the sift of God's word – always gratefully accepted."

We really need your help to keep up with the demand

What it costs to send our diaries

Each diary has a total cost including postage of around 30p
In order to cover all the demand for diaries we need to print 195,000 diaries this year. That would be a total cost of around £57,000.
